Mainstreet Credit Union Unveils Newly Renovated London Road Branch in Sarnia

Sarnia, ON – Mainstreet Credit Union is pleased to announce the re-opening of its London Road branch in Sarnia on September 9, 2024. The branch, located at 1295 London Road, has undergone extensive renovations to create a modern and welcoming environment that will better serve members' needs.

The new branch is equipped to handle a full range of personal, business, and commercial services, while also providing ample space for administrative support. The new layout ensures that members can enjoy a welcoming environment for all their banking needs while making it easier for members and staff to interact.

“This project was designed with both our current and future members in mind. We are committed to providing high-quality, banking services to our community and we now have a beautiful and functional space to ensure that we can do just that.” said Chris Inniss, President and CEO of Mainstreet Credit Union. “We look forward to welcoming everyone into the new space and continuing to support their financial needs.”

As part of this re-opening, all services previously offered at the 412 Exmouth Street branch have moved to the newly enhanced London Road location, allowing members to access their personal and business services under one roof.

To celebrate the re-opening, Mainstreet Credit Union will be hosting a celebration event on September 18, 2024. The community are invited to drop by between 10 a.m. and 4 p.m. for the ribbon cutting, to tour the newly renovated branch, enjoy refreshments, meet the staff, and enter for a chance to win prizes.

About Mainstreet Credit Union

Mainstreet Credit Union is a full-service financial institution that is passionate about providing high-quality, personalized advice to ensure everyone’s financial dreams become a reality. With a network of 10 conveniently located branches in the heart of Southwestern Ontario, Mainstreet Credit Union serves over 25,000 members with over \$1.2 billion in assets under management.
